

ID-CAB® FAMILY

Much More Than A Safe

ID-CAB® 100

Compact Inventory Security Cabinet for Desktop Applications

Securing Your Company's Valuable Assets on a Budget

Security Risks

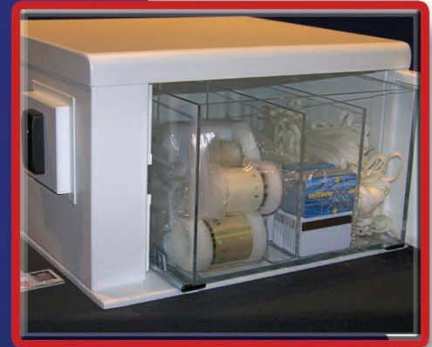

- **EMPLOYEE FRAUD**, as painful as it may be to contemplate, is often times the reason for compromised assets
- When items go missing, do you **KNOW** who was the last person with access and when?
- Even with **COST RESTRAINTS**, securing your assets is still crucial
- Whether you lose one small asset or compromise your entire system, the potential **RISK** to your organization is significant

Risk Management:

- **TRACK, PROTECT** and **MANAGE** your asset materials investment
- Designed for **COST-SENSITIVE** projects, the ID-CAB® has all the technology of the other ID-CAB® cabinets
- **COMPACT** size allows it to be used comfortably on a desktop
- **BUDGET FRIENDLY**, the ID-CAB® is perfect peace of mind for applications where high security is still a must

Ideal for:

- Security
- Government Agencies
- Medical Facilities
- Universities
- Forensic Labs
- Experimental Labs
- Armed Forces

DigiOn24
